Re: Bluffdale Sand & Gravel S0350022

Dear Ms. Wright:

This letter is to formally request OGM to take action against Bluffdale Sand & Gravel for its failure to remediate the land disturbed by its mining activities in the 18 months since it ceased operations in Bluffdale city. We understand that the Operator requested a few short extensions in the fall of 2005, due to court proceedings. Be advised that there is no court order in place which relieves the operator from complying with any local or state regulations. We appreciate your prompt attention to this matter and look forward to hearing from you soon.

Sincerely,

PARRY ANDERSON
